Year Two's Legoland Adventure

Year 2 had a fantastic day at Legoland, enjoying lots of rides such as Pirate Falls, where everyone got very wet and Lego Ninjago, where the children used cool technology with their hands and glasses to play! Flight of the Sky Lion was a highlight for many as always, as well as exploring the thousands of Lego models in Miniland. Of course, the day had to finish with a shop to the Lego store as well to buy some memorable merchandise. What a way to remember this amazing day!

Chester from Class 5 is proudly volunteering for Florentina's Footsteps Foundation (with his parents!). Florentina's Footsteps mission is to bring comfort and joy to children's wards across Essex by delivering welfare packages, toy drops, play therapy sessions, snack trolleys and hot meals for families, creating moments of happiness during challenging times. As part of this, they have weekly Florentina's Feast Fridays, where volunteers deliver pizzas for all families on the children's wards. The foundation can be found via their website, Facebook and Instagram.

Well-done Chester - we are proud of your kind heart!

2nd - Class 24: 95.9%
3rd - Class 21: 95.3%

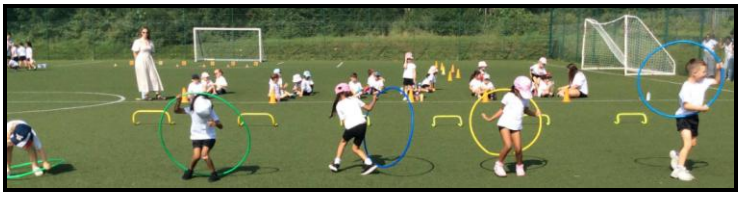
Infant Children's Sports Day

From running to obstacle races and javelin throw to standing jump, there was lots of fun to be had at the Infants sports afternoon! Well-done to everyone for taking part, giving their best and making it a memorable event for all!

The Reception children took part in their very first sports day and what a wonderful morning they had! The children did many events, such as, running, throwing and jumping, and their grown-ups were amazing supporters, cheering them all on. What super mini-athletes you all were Reception!

Thank you also to Lee Chapel's amazing Year 6 pupils who did a fabulous job of supporting the event and helping to ensure that it ran seamlessly. Well-done!

Year One's Design & Technology Day

Year 1 had a great time making clay masks for their DT afternoon. They thought carefully about the patterns they were creating and made sure they were symmetrical.


Thank you to all the parents who came in to help the children successfully progress their ideas. Well-done, Yr 1!
