Football's Coming Home!

Children have proudly worn their England colours to show their support for the England football team during the start of this World Cup. It was wonderful to see so much enthusiasm and team spirit across the school as everyone came together to cheer on the Three Lions (and haven't they started the tournament well?!) Thomas Tuchel (and his players) are making England proud with their exploits in the USA and Lee Chapel is backing England to bring the trophy home! Go England!

Attendance Stars

Week Ending 19th June 2026
Average attendance: 95%

Junior Stars
1st - Class 25: 98.8%
2nd - Class 24: 97.8%
3rd - Class 21: 97.5%

End Of Year Celebration Trips!

Children across Lee Chapel have had an absolutely fantastic time on their end-of-year celebration trips to Legoland and Chessington World of Adventures. It is safe to say that many of the parents who joined us had just as much fun as the children! A heartfelt thank you goes out to all the parents who volunteered to attend, whether you secured a spot or not, your enthusiasm and support are truly appreciated. We love seeing children and parents enjoying these special moments together. Staff received numerous compliments from members of the public on how well-behaved and polite Lee Chapel's pupils were throughout their trips. We could not be prouder. Comments like this highlight exactly why we organise these celebratory outings each year: they are a reward for our children's hard work, exemplary behaviour, and positive attitudes to learning.

Isle Of Wight Fun!

The Isle of Wight is a right of passage at Lee Chapel and this year was no different as Year 6 made us all proud during their unforgettable residential trip. Their excellent behaviour earned praise wherever they went; the children were a real credit to themselves and the school. The adventure began at Robin Hill, where even the adults joined in the fun. Tuesday took the children to Queen Victoria's Osborne House, with time to explore the estate and enjoy lunch (and ice-cream!) on her private beach. That evening, one group had glass-making, whilst the other played crazy golf, swapping activities the next night. Wednesday brought excitement at Tapnell Farm: wallaby petting, giant pillow trampolines, and pedal go-kart racing, kept everyone smiling. On Thursday, under perfect blue skies, the children took a boat trip to the Needles, starting with the thrilling Alum Bay chairlift. Many conquered their fear of heights! The final morning was spent on the beach; one last chance to play, dig, and cover friends in sand! The trip ended with a special awards evening, celebrating everything from 'Best Sense of Humour' to 'Best Assistant to a Team Leader.' On Friday, it was time to pack up and head home with memories made. A huge thank you to the amazing staff who looked after all 100 children so brilliantly. What a week — Well Done, Year 6!
