Pupil Premium - Could Your Child be Eligible?

Some children in our school may be eligible for Pupil Premium funding, which provides additional financial support to help us ensure that all our pupils have the very best opportunities to learn, achieve and thrive.

If your child is eligible for Pupil Premium, the school receives £1,550 per eligible primary-aged pupil. This funding is used to support pupils' learning, progress, wellbeing and access to opportunities.

From September 2026, all children in households receiving Universal Credit are eligible for free school meals, regardless of household income.

However, not every child who is newly eligible for free school meals will attract Pupil Premium funding. Pupil Premium continues to be based on the targeted free-school meal criteria, including children whose families receive Universal Credit with annual household earnings of £7,400 or less.

If you think your child may be eligible, please speak to a member of our school office team. We will be very happy to complete the quick online application on your behalf – it takes less than five minutes.

Registering your child could provide valuable additional funding for our school, helping us to provide even greater support and opportunities for our pupils.

If you are unsure whether you qualify, please speak to us – we are very happy to help.

A Wonderful Welcome to 'Big School'!

There was a wonderful buzz of excitement at Lee Chapel as we welcomed our newest Reception children for their very first day at 'Big School'! Looking incredibly smart in their new uniforms, the children arrived ready to begin an exciting new chapter. There were, of course, a few little first-day nerves, but these were quickly replaced by smiles, laughter and a growing confidence as the children explored their new surroundings, met their teachers and began making new friends.

It has been a truly lovely start, and we are already so proud of how well our youngest pupils have settled in. The staff and I cannot wait to watch them grow, learn, flourish and create wonderful memories during their seven years with us. What an exciting journey lies ahead!

The Vikings Invaded Year 5!

An exciting start to Year 5's new Viking topic! The children looked absolutely fantastic in their Viking costumes. Everyone got fully involved in our Viking workshop, learning new facts, taking part in activities and stepping back in time to experience life as a Viking. The enthusiasm and excitement throughout the day were brilliant!

Year 4's Exciting Roman Day

Year 4 stepped back in time for an exciting Roman Day! They explored life in Ancient Rome, created colourful mosaics and designed their own Roman shields and helmets. A fantastic day of creativity, teamwork and immersive learning that sparked great excitement for their new History topic!

A Greek-tastic Start to Year 3!

Year 3 enjoyed a fantastic Ancient Greek Topic Launch Day, discovering fascinating facts, creating timelines and taking part in an interactive workshop exploring life in Ancient Greece. The children even worked together to form the Parthenon! They discovered the Greeks' incredible contributions to maths, storytelling, sport, the Olympics and democracy, before ending the day with an engaging Greek myth from Mr Cook. What a brilliant start to their new topic!
